Dear Member:

Please be advised that there has been a change to the Preferred Provider network associated with your policy.

Unfortunately, the Geisinger Health System, including all physicians and facilities, has chosen to discontinue their participation as a Preferred Provider for the Penn State student health insurance plans. Specifically, the following Geisinger Health System providers are no longer participating providers on the UnitedHealthcare **StudentResources** plans:

- Careworks Convenient Healthcare (Ancillary & Physicians)
- Geisinger Homecare & Hospice (Ancillary Facility)
- Respiratory Resources Sleep Lab (Ancillary Facility)
- Vitaline (Ancillary Facility)
- Geisinger Clinic - all of the Geisinger physicians
- Geisinger Endoscopy Center (Ancillary Facility)
- Geisinger Medical Center (Hospital)
- Geisinger Wyoming Valley Medical Center (Hospital)
- Geisinger South Wilkes-Barre (Hospital)

Effective immediately, healthcare services provided by Geisinger Health System will be **paid as out of network services.**

A complete listing of Devon providers can be found at www.devonhealth.com/provider-finder/.

Respectfully,

UnitedHealthcare **StudentResources**
